

Register of Legal Areas

In accordance with the regulations of the Netherlands Bar Association (NOvA), Jeanne Jacobs is registered in the NOvA's register of areas of law under the main area of law: Privacy Law.

On the basis of this registration, Jeanne Jacobs is required to obtain ten training points in the main area of law in accordance with the requirements of the Netherlands Bar Association.

Client Funds

Jacobs Privacy & AI Law does not receive client funds within the meaning of the Netherlands Bar Regulation. The firm is therefore exempt from the obligation to have a client funds foundation. If Jacobs Privacy & AI Law is nevertheless confronted with client funds, the firm ensures that the funds are either transferred directly to the party entitled to them, in accordance with Article 6.19, first paragraph, of the Netherlands Bar Regulation, or that the firm joins a client funds foundation (and channels the funds through that foundation). In that case, all rules regarding client funds apply. Under no circumstances does Jacobs Privacy & AI Law receive client funds into the firm's account.

Legal Aid

Jacobs Privacy & AI does not accept cases under the Dutch Legal Aid Act (*toevoegingen*). This means that no subsidised legal aid is provided.
